

The mission of the IRMCA is to expand the use of ready mix concrete.

The IRMCA encourages all companies who share in that vision to join and support our promotional and technical efforts.

Why should you join?

When you join the IRMCA you become an important part of one of the most dynamic concrete associations in the country. In fact, the IRMCA was voted the National Ready Mixed Concrete Association's *2006 State Association of the Year*.

As a result of the marketing and promotional efforts by the IRMCA staff, you will reap the rewards of increased business and exposure to the construction industry .

In addition to the many benefits to your business, you will also enjoy the fellowship of people who, *just like you*, are in the concrete business.
